After coloring and cutting out:  
Glue on reinforcement pieces made of paper or tape,  
then cut out eye holes.

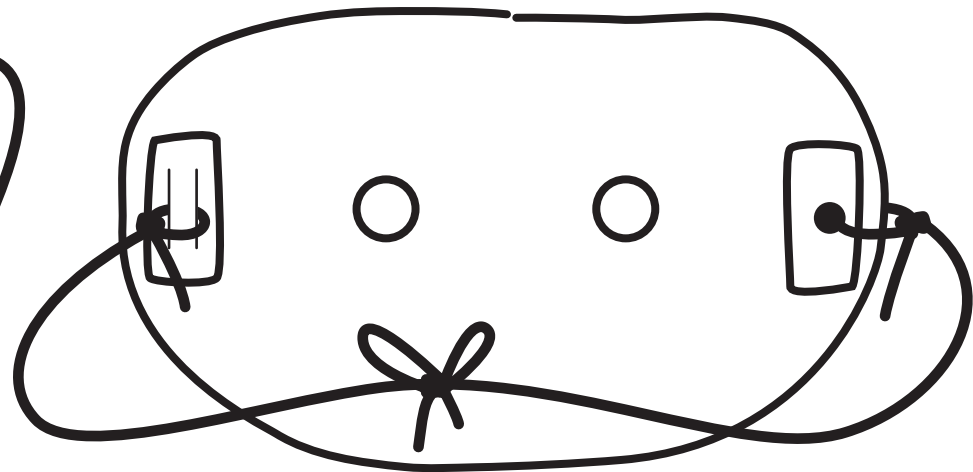

Ask for help  
cutting it out!

Using a razor knife, cut two slits on  
each side of the mask, or alternatively,  
punch a hole on each side using a hole puncher.

Thread elastic or string  
through the slits or holes.

Tie a knot, and you're done!
